PUBLIC NOTICE

It has been discussed in the Commission that all the Government Schools operate on budgetary support from the Government and do not involve any commercial activities as such. Further, higher tariff of electricity not only leads to increase in the operational cost for Govt. Schools but may also act as a deterrent in use of an essential service/amenity by the government schools.

So, the Commission feels it appropriate to consider lower tariff for Government Schools only and accordingly intends to amend the "applicability" provisions at clause 10.2 of the Tariff Order for FY 2019-20 dated 20.05.2019 for Electricity Department, Puducherry w.e.f. June 1st, 2019 as under: -

10.2. Applicability

CATEGORY	AS PER TARIFF ORDER	PROPOSED AMENDMENT
Domestic Purposes Clause (d)	Government recognised educational institutions viz schools, colleges, universities, ITI hostels, canteens and residential quarters attached to the educational institutions.	Government Schools along with related facilities.
LT Commercial Clause (b)	Educational Institutions (excluding Government recognized educational institutions), hostels, public libraries.	All educational institutions (excluding Government Schools along with related facilities), hostels, public libraries.

The comments/suggestions of stakeholders are invited by the Commission which may either be sent by post at the address given above or by e-mail at secretaryjerc@gmail.com so as to reach the Secretary of the Commission latest by 19.08.2019.
