ORDER

The Commission heard both the Petitioner and the Respondent at length.

Shri C.A. Parmar, Chief Engineer, Dadra & Nagar Haveli Power Corporation Limited advanced his arguments at length including the issue of 7 paise/kWh trading margin to be charged by the Solar Energy Power Corporation of India Ltd. He has suggested different mode for charging of trading margin.

Shri Atulya Kumar Naik, Addl. General Manager (PS), SECI advanced his arguments on various issues raised in Power Sale Agreement (PSA) for 50 MW Wind power on Long Term basis. He specifically advanced several arguments to justify the charging of 7 paise/kWh trading margin from the petitioner.

The Commission has examined the Power Sale Agreement in detail and also considered the arguments advanced on behalf of the Petitioner and the Respondent in depth. The Commission is not convinced with the arguments made by the Solar Energy Corporation of India Ltd. to justify charging of 7 paise/kWh trading margin. The Commission is of the view that the Petitioner and the Respondent should revisit the trading margin to be charged by the Respondent and resolve the issue amicably with *mutual* consent along with justification. The Commission directs both the parties to place on record the trading margin mutually agreed on affidavit within two weeks.

Ordered accordingly.
