ORDER

The Commission heard the Petitioner and the Electricity Department, Chandigarh at length.

The Petitioner advanced his arguments in detail. In response to the specific queries raised by the Commission, the Petitioner made a request to grant at least a month's time to submit the revised/modified Petition. After hearing the Petitioner, the Commission had accepted the request of the Petitioner and granted liberty to file the revised Petition within a month's time.

The Commission has noted that the Petitioner has not filed the revised Petition within the time granted. Therefore, the Commission vide its letter dated 16.12.2020 again granted two more weeks time to file the revised Petition failing which the Commission would be constrained to dismiss the said Petition.

It has been brought to the notice of the Commission that till date no revised Petition is filed by the Petitioner. It appears from the conduct of the Petitioner that he has lost all interest in filing the revised Petition. In view of the above, the Commission has decided to dismiss this Petition. The said Petition is dismissed.

Ordered accordingly.
