## GENERAL ORDER

The Joint Electricity Regulatory Commission for the State of Goa & Union Territories apart from discharging legislative and administrative functions also discharges the quasi-judicial functions assigned to it under the Electricity Act, 2003.

In the recent past, the Commission has noticed that Petitioners and other parties /stakeholders have been frequently approaching the Commission, after filing Petitions, for various issues such as curing of the defective Petitions, for an early hearing of Petitions and compliance of its Interim Orders etc. by way of Letters / e-mails. Also, it has been noticed that some parties/stakeholders when they encounter any difficulties in giving effect to any Regulations, they tend to approach the Commission by way of Letters / e-mails for clarifications / interpretations with respect to such Regulations.

In order to address these issues, it is hereby clarified that in such a situation it is desirable that the parties / stakeholders should file appropriate Petition/Application to enable the Commission to provide necessary clarification / interpretation and issue interim orders, if required, after hearing the parties who are likely to be affected.

This order is issued with the approval of the Commission.
