INTERIM ORDER

The Commission heard the Petitioner and the Respondent at length.

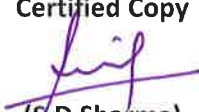

The Petitioner has sought the approval for Power Purchase through DG Sets to deliver Power on round the clock basis to the 33kV Transmission and Distribution System at Mayabunder having evening Peak Load of 1.6 MW (05:00 PM to 10:00 PM) and Average Day and Night Load to the tune of 1.2 MW with guaranteed generation of 5.2 lakh units per month for a period of three years.

The Commission has raised the specific issues in respect of the Infirm Power, the electricity demand, and last three years' report for load growth estimation. Further, the name of the representative from M/s Mona Generators Services Private Limited, must also be part of the PPA, which should be as the Second Paragraph of the Draft Agreement submitted by the Petitioner. That the PPA needs to be redrafted in respect of the Arbitration clause, in adherence to the provisions of the Electricity Act, 2003.

The Commission directs both the parties to submit their submissions on the issues raised by the Commission, on an Affidavit within seven days.

Ordered accordingly.
