ORDER

09.02.2011

On the onset the Commission emphasised the importance of regularly submitting the ARR and tariff petition in accordance with the JERC regulations by the due date. This will not only give the licensee their rightful returns regularly, the increase in tariff rates for consumers shall also be modest and gradual, avoiding tariff shocks. They were also explained that for the Commission to analyse their tariff petitions quickly and smoothly, they should provide full data as required in the formats attached with the JERC regulations. The licensee should therefore take advance action to ensure above.

1) Electricity Department, Goa

The Petitioner has informed that they are in the process of appointing a Consultant to assist them in preparing ARR and tariff petition for the financial year 2011-12. The petitioner has not given a specific date by which they will be able to file the petition.

The Commission directs that the petitioner to give a specific date by which they will be able to file the petition. They shall file their reply by 24th February, 2011.

2) Electricity Department, Andaman & Nicobar

Andaman and Nicobar have requested that the extension for submission of their tariff petition for the year 2010-11 be allowed to them up to 30th November, 2011.

The Commission observed that if they have to file tariff petition by 30th November 2011, in that their ARR and tariff petition should be for the financial year 2012-13 as per JERC regulation.

3) Electricity Department, Chandigarh

They have already filed the petition for the year 2011-12 which is under process.

4) Electricity Department, Daman & Diu

The petitioner have requested for an extension of time for filing the ARR and tariff petition for the year 2011-12 till 5th March, 2011. The Commission has noted.

5) Electricity Department, Dadra & Nagar Haveli

Extension for filing of ARR and tariff petition has already been allowed up to 28th Feb., 2011.

6) Electricity Department, Lakshadweep
