ORDER

31.7.2012

The Petition is filed by IMP Powers Ltd. for approval of PPA for determination of Project Specific Preferential Tariff for Roof Top Solar Photo Voltaic project for sale of such power to Electricity Department, UT of Dadra and Nagar Haveli.

On appearance parties were directed to file initialled PPA (excluding tariff to be determined by the Commission) to enable the Commission to approve various terms & conditions and proceed for determination of tariff. The petition is pending since long for filing of initialled PPA. Perusal of record shows that parties are not complying with directions of the Commission.

In the previous order dated 5/6/2012 also the parties were directed to file initialled PPA by 25/6/2012. But they failed to comply the directions of the Commission. Petitioner is neither present nor filed initialled PPA even today.

It is observed that on one hearing the petitioner is appearing and the respondent is not appearing. Whereas on the next date of hearing petitioner is not appearing and respondent is appearing.

Counsel for respondent orally submitted that petitioner did not approach respondent with draft PPA for initialling and submitting to the Commission for approval.

From above facts and circumstances it appears that neither the petitioner nor the respondent is interested in the petition and approval of PPA from the Commission.

Commission heard counsel for respondent and direct the parties to file initialled PPA by 4/9/2012.

Scheduled for hearing on 11/9/2012. If the petitioner fails to appear on 11/9/2012 with initialled PPA the petition shall stand dismissed.
