Petition No.....34/ 2011

In the matter of

Petition for approval to carry forward of renewable purchase obligation (RPO) compliance requirement for the year 2010-11 to the next financial year

And in the matter of

Electricity Department UT of Puducherry ..... Petitioner

**Present**

**For the petitioner:**

1. Shri K. Mathivanan, Superintending Engineer
2. Shri T Chanemougam, Asstt. Executive Engineer
3. Shri D. Ravi Engineer Gr. 2

**ORDER**

15.07.2011

The petitioner has given following reasons for non compliance of their Renewable purchase obligation for the FY 2010-2011:

That the JERC (Procurement of renewable Energy) Regulations 2010 was notified only in November 2010 and at that time of the year they were not able to get funds from the Government.

That there is no renewable generation in Puducherry and

That the RECs were not available.

The Commission is satisfied that the petitioner had genuine difficulties in complying with the renewable purchase obligation because of non availability of certificates. Therefore under clause 4(4) of the JERC ( Procurement of renewable Energy) Regulations 2010, The petitioner is hereby allowed to carry forward the compliance requirement to the next year; that is, FY 2011-12.
