And in the matter of

The Electricity Department, A&N Administration, Vidyut Bhawan, Port Blair-744101

Order

30.04.2013

The petitioner- ED -Andaman & Nicobar Administration filed the present petition for approval of agreement for hiring of 10 MW Capacity DG between Electricity Department, Andaman & Nicobar Administration and M/s Sudhir Ready Genset Consortium under section 86 (1) of Electricity Act, 2003 on 14.01.2013.

The Commission has gone through the petition and decided to send notice to the petitioner for admission hearing for 30.04.2013 for giving presentation on following issues:-

Quote “

1. *How does the generate cost/ unit including (Diesel Cost) compare with ED- A&N own generation from its DG sets and that of IPP by Surya Chakra on like to like basis (i.e. with and without aux. power consumption)?*
2. *The dispatch programme of power units so generated, from the DG sets proposed to be hired as in the petitions. Power units so generated are not reflected in the ARR and Tariff petition No. 91/2012 for FY 2013-14, in the case how will these be accounted for?*
3. *As per ARR and Tariff petition no. 91/2012 for FY 2013-14, no Power generating/ procurement source other than existing units has been indicated, including 10 MW from Solar Plant (if that gets commissioned).*
4. *What happens if the generation from these hired plants is not utilized?*
