2. Ms. Rizwana, Asstt. Engineer
3. Shri Arvind Tewari, Consultant

ORDER

The Commission heard the Petitioner at some length. The Commission noticed that the Petitioner has submitted tentative Project Cost in its Petition as well as in the enclosed Energy Saving Agreement. The Commission feels that the actual Project Cost is required to enable it to approve Demand Side Management based Efficient Lighting Programme in the circle of operation of Electricity Department, Andaman & Nicobar Islands under Demand Side Management Programme. In view of the above, the Commission directs the Petitioner to submit the revised proposal based on the actual Project Cost for the consideration of the Commission within a week's time.

The matter is listed for final hearing on 26th July, 2016.
