The Commission initiated the hearing with a request to both the parties to co-operate in the proceedings as the Hon'ble Supreme Court order is binding on the Commission as well as the parties. The Commission also requested both the parties to submit complete information so that the matter be settled within the time limit prescribed by the Hon'ble Supreme Court.

Dr. S.M. Manepalli, Managing Director, M/s Suryachakra Power Corporation Limited started the arguments and requested the Commission to extend the time by two days for submission of the relevant documents requested by the Commission in the Technical Validation Session held on 22.11.2016. Though the Commission realizes that time is short keeping in view the Supreme Court directions, to facilitate the Petitioner the Commission agreed to its request and allowed 2 days time to submit the relevant documents. To further facilitate the Petitioner, the Commission directed that an exhaustive list of requisite information be mailed to them today itself to enable them to submit a comprehensive reply/information. The Petitioner has assured the Commission that it would file the documents positively by 25.11.2016.

The Commission gave a very patient hearing giving opportunities to both the parties to submit their Technical and Financial issues in detail including the counter submissions by the other party.

The Commission was informed of the Technical Validation Sessions on 22<sup>nd</sup> and 23<sup>rd</sup> of November, 2016 wherein the detailed written submissions of both the parties were examined, verified and discussed along with their justifications.
